<p>Peggy Murphy</p>	<p>KCC is keen to hear the views of families of children and young people who have SEND on their experience of the arrangements for Education Health and Care Plans. In collaboration with the Kent Parent Carer Forum we have developed a county wide survey which they have distributed to all of the families that they provide information and support to.</p> <p>We want to gather the broadest range of views from across every district, representing every age range, type of placement and the breadth of special educational needs. We would like schools to support this gathering of feedback by highlighting the survey to families of Kent resident pupils with SEND.</p> <p>We would be grateful if you use your newsletters and websites etc. to promote this invitation to participate and if your SENCOs could encourage families to tell us what works well for them and what would make the process even better.'</p> <p>The link can be found below:  <a href="http://www.intouchcrm.co.uk/app/marketing/surveys/complete/?s=AD29ECA3230E40568949100D2A">http://www.intouchcrm.co.uk/app/marketing/surveys/complete/?s=AD29ECA3230E40568949100D2A</a></p>
