

GDPR- All about me

Everyone in school is an individual who has a name, a

face, a birthday, family and a place to live. This

information is special and needs to be kept safe. Sometimes

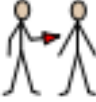

people may take a photograph of you or your friends.

You may not want everyone to see it. Some

information should be private and only seen by

people who need to know it, so they can help

 us  and  keep  us  safe.  Everyone  in school  must  work

 together  to  follow  rules  to  keep  you  and  information

 about  you  safe.  All  information  about  you is

 locked  away  and  only  viewed  by  those  who  need to

 see it.
