Five Acre Wood School Anti-Bullying Policy

This policy is based on DfE guidance "[Preventing and Tackling Bullying](#)" July 2017 and supporting documents. It also considers the DfE statutory guidance "[Keeping Children Safe in Education](#)" 2018 and '[Sexual violence and sexual harassment between children in schools and colleges](#)' guidance. The setting has also read Childnet's "[Cyberbullying: Understand, Prevent and Respond: Guidance for Schools](#)".

1) Policy objectives:

- This policy outlines what Five Acre Wood will do to prevent and tackle all forms of bullying.
- The policy has been adopted with the involvement of the whole school community.
- Five Acre Wood is committed to developing an anti-bullying culture where the bullying of adults, children or young people is not tolerated in any form.

2) Links with other school policies and practices

- This policy links with several school policies, practices and action plans including:
 - Behaviour and physical intervention policy
 - Complaints policy
 - Child protection policy
 - Confidentiality policy
 - Online safety and Acceptable Use Policies (AUP)
 - The School's Curriculum handbooks
 - Mobile phone and social media policies
 - Searching, screening and confiscation policy

3) Links to legislation

- There are several pieces of legislation which set out measures and actions for schools in response to bullying, as well as criminal and civil law. These may include (but are not limited to):
 - The Education and Inspection Act 2006, 2011
 - The Equality Act 2010
 - The Children Act 1989
 - Protection from Harassment Act 1997
 - The Malicious Communications Act 1988
 - Public Order Act 1986

4) Responsibilities

- It is the responsibility of:
 - The headteacher to communicate this policy to the school community, to ensure that disciplinary measures are applied fairly, consistently and reasonably, and that a member of the senior leadership team has been identified to take overall responsibility.
 - Governors to take a lead role in monitoring and reviewing this policy.

- All staff, including: governors, senior leadership, teaching and non-teaching staff, to support, uphold and implement this policy accordingly.
- Parents/carers to support their children and work in partnership with the school.
- Pupils to abide by the policy.

5) Definition of bullying

- Bullying can be defined as “*behaviour by an individual or a group, repeated over time that intentionally hurts another individual either physically or emotionally*”. (DfE “Preventing and Tackling Bullying”, July 2017)
- Bullying can include name calling, taunting, mocking, making offensive comments; kicking; hitting; taking belongings; producing offensive graffiti; gossiping; excluding people from groups and spreading hurtful and untruthful rumours.
- This includes the same unacceptable behaviours expressed online, sometimes called online or cyberbullying. This can include: sending offensive, upsetting and inappropriate messages by phone, text, instant messenger, through gaming, websites, social media sites and apps, and sending offensive or degrading photos or videos.
- Bullying is recognised by the school as being a form of peer on peer abuse. It can be emotionally abusive and can cause severe and adverse effects on children’s emotional development.

6) Forms and types of bullying covered by this policy

- Bullying can happen to anyone. This policy covers all types and forms of bullying including:
 - Bullying related to physical appearance
 - Bullying of young carers, children in care or otherwise related to home circumstances
 - Bullying related to physical/mental health conditions
 - Physical bullying
 - Emotional bullying
 - Sexual bullying
 - Bullying via technology, known as online or cyberbullying
 - Prejudicial bullying (against people/pupils with protected characteristics):
 - Bullying related to race, religion, faith and belief and for those without faith
 - Bullying related to ethnicity, nationality or culture
 - Bullying related to Special Educational Needs or Disability (SEND)
 - Bullying related to sexual orientation (homophobic/biphobic bullying)
 - Gender based bullying, including transphobic bullying
 - Bullying against teenage parents (pregnancy and maternity under the Equality Act)

7) School ethos

- Five Acre Wood community recognises that all forms of bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing.
- By effectively preventing and tackling bullying our school can help to create a safe and disciplined environment, where pupils are able to learn and fulfil their potential.
- Five Acre Wood operates a positive behaviour management approach and it is hoped that this will minimise incidents of bullying by promoting and rewarding positive behaviour and respect for every member of our school community. The nature of our young people's needs means that they are supervised throughout the school day and any incidents of bullying should therefore be picked up and responded to quickly.
- The culture of respect in the school is supported and promoted through the curriculum and through associated policies in the school such as the Behaviour and physical intervention policy. Pupils and students are encouraged to develop as responsible and sensitive young people through various opportunities including assertiveness, mentoring and buddy systems.
- Where a behaviour has been defined as bullying it will have been agreed that the bully has deliberately used this behaviour intending to hurt the victim. The range of the difficulties experienced by our pupils and students means that some may hurt other pupils or adults in the school but not in a deliberate way or they may not be aware that they are hurting them. It is important to make this distinction but equally important to make an accurate interpretation of the event(s) to ensure that real bullying is identified and responded to.
- **Our Community:**
 - Monitors and reviews our anti-bullying policy and practice on a regular basis.
 - Supports staff to promote positive relationships to help prevent bullying.
 - Recognises that some members of our community may be more vulnerable to bullying and its impact than others; this may include children with SEND. Being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
 - Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
 - Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
 - Requires all members of the community to work with the school to uphold the anti-bullying policy.
 - Recognises the potential impact of bullying on the wider family of those affected so will work in partnership with parents/carers regarding all reported bullying concerns and will seek to keep them informed at all stages.
 - Will deal promptly with grievances regarding the school response to bullying in line with our complaints policy

- Seeks to learn from good anti-bullying practice elsewhere.
- Utilises support from the Local Authority and other relevant organisations when appropriate.

 - If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
