

Babbage

Babbage is a 6th form class based at the Snodland satellite site and is within the Functional learning approach. In class there are 7 pupils, aged between 17 and 19 years, together with 5 members of staff.

Babbage class pupils follow a functional curriculum which focuses on promoting independence and life-skills. We are working towards ASDAN accreditations and this year the units are; 'Encountering experiences' — creativity, 'Engaging with the world around you' - therapies, 'Travel within the community' - going places and 'Engaging with the world of work' - exploring work. In addition, pupils take part in weekly cooking, gardening and enterprise activities.
