

Bronte class are based at our Snodland site. The class is within the secondary Formal learning approach. This year pupils will be following a year 9 curriculum and they will focus on developing skills to prepare them to work towards accreditations in years 10 and 11.

This year pupils will be following a secondary approach and will develop their independence by moving around the school to work with different Teachers with different specialisms so that they can develop their knowledge and skills in different subjects.

In Preparation for Adulthood sessions, pupils will learn how to cook a variety of meals and will learn the skills for gardening and growing, along with developing an understanding of the community. In maths and English, pupils will build on skills to prepare them for functional skills exams, which will provide them with qualifications to support their future in years 10 and 11. Pupils enjoy playing games, participating in sports and being creative.
