DeBussy is a key stage 2 primary class within the Structured learning approach and is based at our Loose site. We are a class of 11 pupils aged between 7 and 9 years who are supported by a Class Teacher, a Senior Teaching Assistant and 2 Teaching Assistants.

In DeBussy class, we work on developing our independence and communication skills using a range of communication supports, real life objects and Makaton. We follow the TEACCH programme of structured learning through daily rotations.

Recognising our emotions to aid our readiness for learning is a key part of our day. We love the outdoors and practise transitions during our regular visits to Apple Tree Yard, Forest School, Soft Play and the Sensory Garden. Inclusion sessions with our Structured peers, cookery sessions and shared play are the favourite parts of our week.
