

Joyce class is based at our Snodland site and is within the secondary Formal learning approach. There are 16 pupils and 4 staff members and we are in Year 9.

This year pupils will be following a secondary approach, which involves moving around the school to work with different Teachers in a variety of different subjects. Pupils will be focusing on showing more maturity, building their independence and learning how to work as a team in preparation for their move to key stage 4 next year.

In Preparation For Adulthood lessons pupils will be learning how to cook a variety of meals, how to decorate, how to garden and will be taking part in various volunteering opportunities. In maths and English pupils will continue to develop their knowledge and understanding of key topic concepts.
