

Skippy class consists of 11 pupils ranging from reception to year one. We have 4 members of staff who support us in our learning. We follow the Early Years Approach, learning through exploration, investigation and following the child's lead.

We are excited to see what is going to happen during our day and follow a visual schedule to support us with knowing what is happening next.

Things you might see in our class include;

- \* TEACCH approach- promoting independence and readiness to learn.
- \* Tac Pac
- \* The Curiosity Approach
- \* Forest School
- \* Life skills
- \* Attention Autism
- \* Exploration of letters and numbers

Our pupils love sensory and messy play, which helps them to explore and become curious learners. We love to immerse ourselves in sensory exploration.
