Family Support

OUR SCHOOL

AIMS

HOW DOES 'TEAM' FAMILY SUPPORT WORK

We will

- Work alongside outside agencies and professionals to offer a comprehensive service to all our families.
- Provide support, information and education service to parents or carers with children attending Five Acre Wood.
- Investigate concerns raised by parents, pupils and staff including the senior leadership team.
- Encourage parents and carers involvement in the school and its activities.
- Enable and empower parents and carers to support their child's learning.
- Provide a safe environment where parents and carers feel they can speak freely **without** fear of judgement or prejudice.

TEAM

- Are school staff, that are not classroom based.
- Will attend meetings as a representative of the school.
- Will liaise with classroom based staff and the senior leadership team.
- Will prepare resources to be used in the home i.e. PEC's symbols. Photographs, Timetable Schedules, Social Stories.
- Support and instruct parents or carers to implement the above resources to ensure consistency between home and school for their child.
- Will support parents and carers with applications for a range of outside agencies or services.
