

Tchaikovsky class is a primary class within the Structured learning approach. There are 4 staff supporting 11 pupils who are aged between 7 and 9 years old.

We learn by following TEACCH approach, where we complete our learning through different stations including; 1-1 work, small group activities, individual workstations and leisure. These are focused on numeracy, literacy and enrichment tasks, as well working on specific activities that support EHCP outcomes and personal development.

In Tchaikovsky class we are very 'hands on' with our learning and enjoy messy and sensory play. We also enjoy soft play, exploring the sensory garden, sensory circuits, art sessions, cooking and Attention Autism.

This academic year we will be focusing on the following topics; It's good to Be Me, Wonderful Winter, Festive and Sparkle, Amazing Animals, Sunshine and Flowers, On the Move and Sun Sea and Sand.
