

Tolstoy class is based at our Snodland site. We are a year 10 class within the secondary Formal learning approach. There are 13 pupils and 4 staff members in the class.

This year we will be following a secondary approach to learning, which will involve transitioning around the school to work with different teachers in different subjects. In Preparation for Adulthood sessions, we will be learning how to cook a variety of meals, how to decorate, how to garden and we will be taking part in various volunteering opportunities. In maths and English we will be preparing to take our functional skills exams which will give us qualifications to support our future. We enjoy playing games, participating in sports activities and getting creative.
