

Warhol class are a primary class within the Sensory learning approach. In class, there are 7 pupils aged 6-10 years old, a Class Teacher, a Senior Teaching Assistant and 3 Teaching Assistants.

Warhol class are a happy and curious class who love going outside to access all our fantastic spaces, such as the field and to join in with horticulture sessions. We follow the sensory curriculum, because we learn best when learning is related directly to our life experiences. Our classroom follows a multi-sensory, topic-based environment with lots of routine embedded in.

Everyday we work hard to achieve our personal independence targets through daily activities, enriching topics and enjoying the wide range of outdoor learning environments around school. Within class, we work on developing our skills in 5 key areas which are 'My thinking', 'My communication', 'My body', 'My independence' and 'Me and my community'. We are looking forward to progressing with our targets and visiting more environments within our local community during the academic year.
