

Jones class is a 6th form class within the Functional learning approach. In class there are 13 pupils who are in year 13 and 14. They are supported by a Class Teacher, a Senior Teaching Assistant and a Teaching Assistant.

Jones class pupils access functional skills maths and English lessons, as well as a variety of vocational subjects which can accredit them with ASDAN or BTEC qualifications.

Pupils attend lessons with a variety of different staff and pupils for each subject. This provides opportunities to improve their communication skills and also helps to prepare them for future, when transitioning to their next pathway, post 19.
